Bryneven Netball and Six-a-side Soccer Tournament

Bryneven hosted our Annual Netball and Six-a-side Soccer Tournament on Saturday, 06 May. It was a huge success with a large number of compliments received from the visiting schools' staff and parents. The participating schools in our Tournament were Bryneven Primary, Bryandale Primary, Bryanston Primary and Montrose Primary. Well done and a huge thank you to Mr Naicker and the staff of Bryneven for a successful tournament. Bryneven also had cause to celebrate our results with three of our

Netball teams making the Finals, as well as four of our Soccer teams making it to the finals. Two of our Netball teams won the Silver medals and our Open Team - 'The Bryneven Strelitzias' won the gold medal in their final. We had two of our soccer teams winning the Silver medals and two teams – the U9 'Bryneven Barcelona' and the Open 'Bryneven Pirates' teams winning the Gold in their finals. The round robin section was quickly followed by the Play-off section with our U8 and U9 teams finishing 4 out of the 9 schools participating. Our U10 team was leading by the most number of corners in their gold medal match until the last 30 seconds when their opponents scored from a lucky opportunity. Our Open Girls team remained unbeaten throughout the tournament to bring home the gold medals. The U10 Keeper – Theo-Kamal Saad was declared as the 'Player of the Tournament' for his age division.
