Grade 7 Leaving Gift to the School initiative.

Every year our leaving Grade 7 learners collect contributions towards their parting gift to the school. This year they have decided to have a number of “Fun in the Sun Day”. While we do appreciate that this is one of many initiatives that will lead to the run up of the Festive season, our Grade 7 learners are asking you to support their efforts by paying your R20,00 for each day. The Grade 7 gift will go towards benefitting the school for the present and future learners.

Bryneven Learner Outreach initiative

Francesca Maria Commerce in Grade 4 would like to make a difference in an underprivileged child's life this Christmas by asking for pre/loved Teddies to be donated. Please see below and we encourage all our learners to take part, during this season of giving. The collection bins will be clearly marked and placed at the Bantry Road (Jeff's gate) entrance. Francesca will be clearing the collection bins daily and really hopes to make as many underprivileged children smile. Let's support this wonderful initiative by our Grade 4 learner.

Early Closure for Term 4

As mentioned previously we are going to request for early closure for our learners for this term from the GDE. The date we will be requesting is for Friday, 08 December as all our admin work as well as school functions will have been completed by this date. The electronic Report cards will also be issued on this date (should we be granted permission).

The report cards will be available on the Portal for parents to access wherever you are (should families with travel plans not be in the province or country at the time).

It must be mentioned that although we were granted permission to close early last year for the school holidays, the GDE may or may not grant permission for early closure this year. As we receive any further information on our application, we will update our Bryneven Community.
