Inter-house Cross Country

On Friday, 12 July, our annual Cross Country will be run at school. We will be following Day 4 of the timetable for the morning before first break and children must ensure that they pack the correct books. The Inter-house Cross Country will commence after first break. For the benefit of our new families, all our learners are divided into "Houses" for extramural and academic purposes.

The Houses are Gemini (Yellow), Aquarius (Blue), Capricorn (Green) and Scorpio (Red). All learners will be able to compete in this exciting event for their House. Learners may come to school dressed in the official tracksuit (wearing their Cross Country kit - sports socks & shoes, white shorts and coloured House T-shirt.) It is strongly recommended that each child have their own water bottle and sunscreen. Alternately, children may wear the normal winter school uniform and carry their Cross Country kit in a tog bag. Please apply sunscreen to your children for the day.

Children who suffer with asthma or wheezing etc, must bring their medication to school.

Please inform the class teacher in writing if your child is ill and unable to participate, as this is a compulsory event. Although the races (Gr R) will commence from approximately 09:50, we remind Moms and Dads that some of our Grade 1 to 3 learners may be a little delayed after school, to give us time to finish this event.

Foundation Phase parents (including Grade R) are kindly reminded that the Cross Country course passes through your collection areas and senior learners may still be running their races when you come to collect your child. Please be mindful of these athletes. Parents who are able to come and support the children are more than welcome to join us.

Inter-House Athletics

On Saturday, 20 July, our annual Inter-house Athletics/Sports Day will be taking place. Please note: This is one of the few events in the year where all learners are expected to attend. The co-operation of all our parents will be appreciated to ensure that we have the support of all concerned.

Time : Learners must report to their House teachers by 08:00 please. The march-past of all Houses will commence at 08:30. We are still busy planning for this Saturday's event and we believe we should finish the morning's activities by approximately 11:30.

Seating: Learners will be seated on the field in their respective Houses under their House gazebos. The embankment seating will be reserved for parents and other spectators (Parents are kindly requested to make use of the coloured shaded ports which corresponds to your child's/children's house colour). All parents are cordially invited to attend.

Extra Mural and Academic Support Programme

The Term Three extra mural and academic support programme will be uploaded onto Ed-Admin this Friday, 12 July 2024. Extramural and Academic support will begin next Monday, 15 July 2024 so please ensure that your child has the correct date, uniform and requirements for the scheduled activity.
