Dear Bryneven Parents and Community

International “Stand Up to Bullying” day Friday, 23 February 2024

As part of our school’s “Too Bright to Bully” campaign, we will be participating in the International “Stand up to Bullying” awareness day on Friday, 23 February.

All our learners may come to school dressed in civvies (no charge) , wearing orange and blue .

The orange represents the standing up to bullying and the blue represents Bryneven. Learners can either wear a combination of the two colours should they have it or an outfit comprising either colour. If your child does not have clothing with those respective colours, they can come to school dressed in their PE Kits. We trust that this arrangement will alleviate any need to purchase new clothing for this event.

We thank you for supporting this important initiative.

Mr N Nakooda

Headmaster
